. . . Wind in the field, wind in the field Winds and rains in the field... You, as if in this field,  
Lost, wait. Forget about all the sorrows All anxiety, pain and fear And in love, in love, in  
sorrow Forget your enemies. You are sad, you are sad And your look is tired, sad. You are  
in love, in love, in sadness, So why in the sea of sadness You will go into the seas of  
sorrow Forget your enemies Wind, wind, wind, wind! Forget your enemies! Wind in the  
field, wind in the field Wind, wind, wind, wind!
