of animals and other objects. You need to use .It would be  
interesting to see the AR-10 (a 9x19mm semi auto)  
chambered for +P loads. A "10" has been published for a  
1911 chambered in +P for awhile, but I don't know if the  
magazine is still available. Now THAT would be a bad idea.  
I'm not sure what makes the 1911 so popular but from a  
practical stand point, You don't want the ammo to start

popping and cracking apart. It is a very effective and popular round... This email link is to reach site administrators for assistance, if you cannot access TFL via other means.
